

Alliance for the Arts and Humanities hereby certifies that it has satisfied the following special operating conditions on the construction permit for KNDS-LP, Fargo, North Dakota:

1. The permittee/licensee in cooperation with other users of the site will reduce power or cease operation as necessary to protect persons having access to the site, tower or antenna from radiofrequency electromagnetic fields in excess of FCC guidelines.

2. The KNDS-LP antenna is mounted on an existing tower that is not base-insulated or de-tuned at the the AM frequency.

Signed  Doctor Thomas Riley
